About the Restaurant

Ada Cafe is a café-restaurant on the bank of the Mtkvari River in Mtskheta, a few minutes' walk from Svetitskhoveli Cathedral but away from the busiest tourist streets. Guests sit on a covered riverside terrace or in the garden, with views across the water to the hills, and there is also a small indoor room for cooler days.

The kitchen combines Turkish, Mediterranean and Georgian cooking, from Turkish breakfasts and pide to grilled fish and meat cooked outdoors, with halal and gluten-free options. The café is run by a Turkish team, which makes it an easy choice for Turkish-speaking groups looking for a relaxed lunch on a Mtskheta day trip. It is seasonal and closes over the winter months.
